

Logging In

After FileCloud is installed, you need to log in using your admin account to perform administrative tasks.

Admin Portal

In a supported web browser, open the following link depending on whether or not you are using SSL connection.

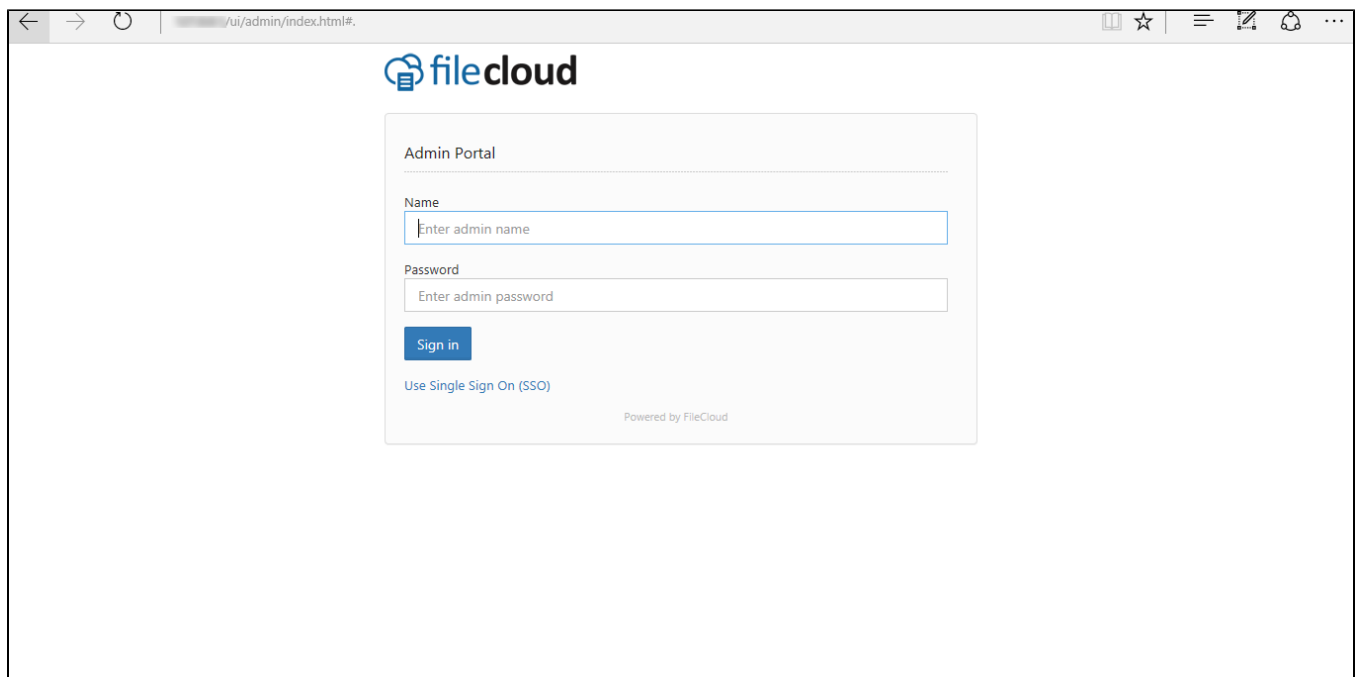

Admin URLs

http://<your filecloud address or IP>/admin (or)
https://<your filecloud address or IP>/admin

this redirects to

http://<your filecloud address or IP>/ui/admin/index.html (or)
https://<your filecloud address or IP>/ui/admin/index.html

If [Two factor authentication for Administrator](#) is enabled, then you will be required to provide additional code to continue

Security Code

Confirm

For additional security, you need to enter the security code sent to your registered email id to login.
