

20.1 Download Items

- [Download Single Item](#)
- [Download Multiple Items](#)
- [Download Folder](#)

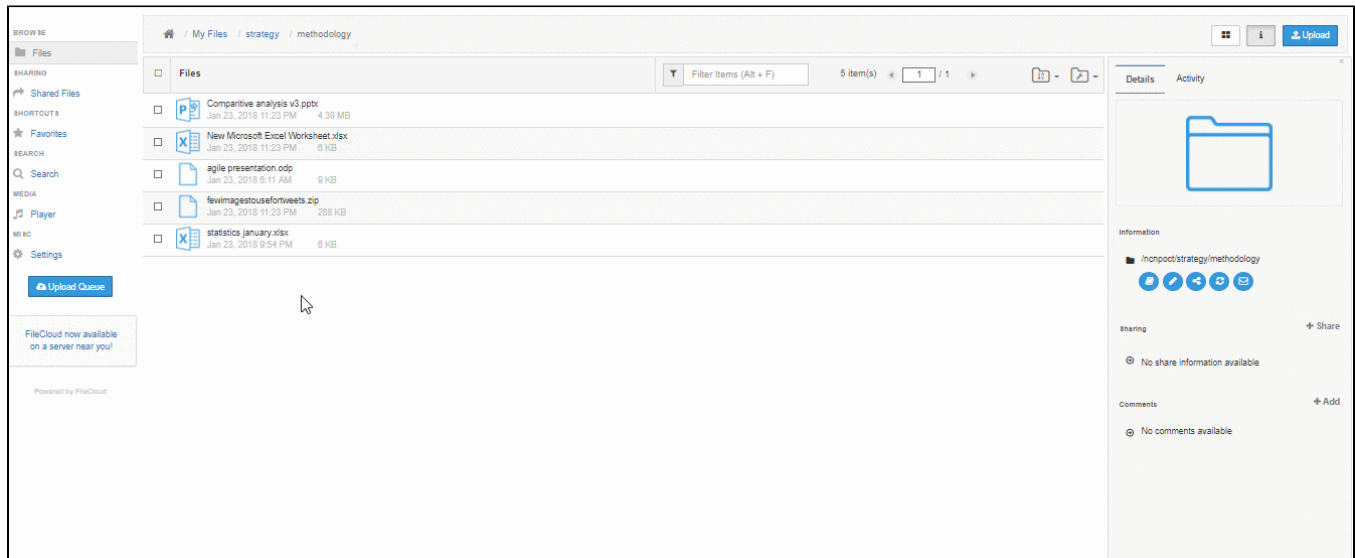

Download Single Item

Select a single file/folder and click "Download" in the context menu.

Download Multiple Items

Select multiple items to download and click on the 'Download' button or right-click and select download. The selected items will be archived to a ZIP archive and downloaded.

Download Folder

Navigate to the folder you want to download, tab on the Folder Action button at the right corner and select "Download Folder" or right-click and select download.
