

20.1 Video of of Editing Metadata

 Metadata support is available starting from FileCloud 18.1.

You can manage data that provides additional information about files and folders available in FileCloud Server using **Metadata**.

The screenshot displays the FileCloud web interface. The top header includes the FileCloud logo, a search bar, and user information (tomasz). The left sidebar contains navigation options: BROWSE (Files), SHARING (Shared Files), SHORTCUTS (Favorites), SEARCH, MEDIA, Player, MISC, and Settings. The main content area shows the 'My Files' view with a file named 'Website images' (May 11, 2018 3:27 PM). The right sidebar contains the metadata editing form, which includes fields for Type (Default), Invoicing (Status*, Net Value*, Sales Tax, Total*), Payment method (Card), Payment Due By (05/11/2018), and Paid (Test, Test_int). A 'Save' button is visible at the bottom of the form.
