

Deleting Your Account

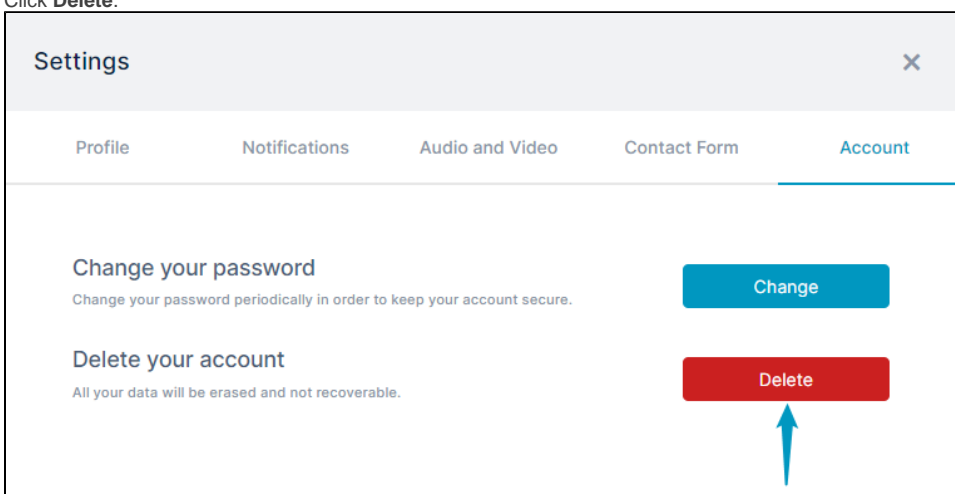

Any level of user can delete their own AirSend account.

To delete your AirSend account:

1. In the upper-right corner of AirSend, click your username and choose **Settings**.

2. In the **Settings** dialog box, click the **Account** tab.
3. Click **Delete**.

The dialog box expands.

4. Enter your email into **Confirm your email address**.

5. Enter your reason for leaving in **Feedback**.
