

Files and Links Tab

The right panel includes a **Files and Links** tab:

It has three sub-tabs, **Media**, **Files**, and **Links**.

Media tab	Files tab	Links tab
<p>The Media tab includes media files (image and video) added to messages or to the Files tab. All media files also appear in the Files tab.</p> <div><div>MediaFilesLinks</div><div>Today</div><div>This Year</div></div>	<p>The Files tab includes all files uploaded to the channel, the attachments folder (the default folder for message attachments) , and folders that you add.</p> <div><div>MediaFilesLinks</div><div>Customer Support Team...</div><div><div>attachments</div><div>IMG_20200907_150912749.jpg5 MB</div><div>IMG_20200907_151903941.jpg4 MB</div><div>Path in field.jpg5 MB</div><div>Snow Day.jpg2 MB</div></div></div>	<p>The Links tab includes all links that you copy into messages.</p> <div><div>MediaFilesLinks</div><div>Today media.giphy.com Sara Davis sent this link. https://media.giphy.com/media/...</div></div>

Perform actions in the **Files** tab:
